Dear Parishioners,

I hope this finds you doing well. I want to update you on our Capital Campaign. Parish Council formed a committee to follow-up with our Capital Campaign expenditures. This committee consists of a representative from Parish Council, Finance, Maintenance, Boosters and our staff. On behalf of that committee, I want to share an update on our plans for the Stewards of God's Grace Capital Campaign funds our parish will receive. We anticipate receiving approximately \$293,000 over the next three years. Our committee has identified several items to consider at this time. There are certainly other things that could be considered in the future. Right now, we are focusing on these three areas:

**Replacing windows and other improvements to our Parish Center Building.**  
**Cleaning and Tuck-pointing of our buildings.**  
**Updating the Air Conditioning system in our Church Building.**

Just a reminder, our current parish center has not had any improvements since it was built in 1956. The windows are a particular concern at this time, as they are extremely inefficient. We also need to replace some flooring that has weathered over the years.

Regarding the cleaning and tuck-pointing of our buildings, after having a professional company look at our buildings, it is clear that we need to clean the sandstone and make improvements to some of the mortar joints. This will restore our beautiful buildings for many years to come.

We currently have one chiller that is cooling both the church and the school building. This makes it very difficult to cool both buildings on hot days. Our new system will provide a separate system for each building. This will allow us to maintain ideal temperatures in both buildings.

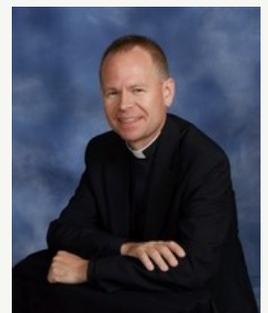

Our committee is gathering approximate costs for these improvements. After we have a better idea of the costs associated with these improvements, we will make recommendations to the Finance and Parish Council for potential approval to move forward.

I know these items do not sound real exciting, but they are necessary for maintaining our parish campus. This is one of the great benefits of having a capital campaign occasionally. It allows us to make necessary improvements. Thank you to all who have contributed to the capital campaign. We could not do any of this without your generous support.

Father Ambrose, Father Betz and I all want to wish you a blessed Advent and Christmas Season. May we all experience the joy and peace that only our Lord can bring.

Love in Christ,

*Fr. Tony*

# HOLY CROSS SCHOOL NEWS

## John Hollis, Principal

As we all know, November is a time for giving thanks. There is so much to be thankful for here at Holy Cross. I want to thank all those who came before us and established our church and school. I am amazed at the intelligence and foresight these people possessed. I also want to thank all the wonderful families who have helped form Holy Cross into what it is today. We are still blessed to this day to be surrounded by wonderful school families and parish members who continue to make Holy Cross so special. Long live the tradition of Holy Cross! Please find the time to thank God for all our blessings. Mr. Hollis

### **Faith for Generations**

Since 1947, when the community banded together to form Holy Cross, the backbone of running our church and school has been our Sunday collections and tithes. Over time, we have prospered and the gifts of the faithful make us the stewards of our parish funds.

In 1996, the newly formed Holy Cross Association of Alumni & Friends, with the guidance of Father Charles Kaiser and Father Bernard Lutz, formed Holy Cross' first endowment, to benefit religious education.

An endowment is a savings account which generates income for the parish. Interest is returned to the church, while the gift remains with Holy Cross to grow and help sustain our future.

The endowments are managed by the Catholic Foundation of Southwestern Indiana. Formed by Bishop Francis Shea in 1988, the Foundation manages funds for 70 parishes, serving 90,000 Catholics.

**Food For Thought**—Imagine that we received \$100 to buy apples for the school children. We buy the apples and once eaten, they are gone. However, if we were to buy apple trees we would have apples “forever”. Having an endowment is a way of giving to the next generations and is a means of supporting the future and assuring parish financial stability long after we are gone.

The purpose of the Fund is to provide funds to the athletic programs for students of the Holy Cross Catholic School. Interest is used for gym rental.

#### **Karen Georges Memorial Trust**

The purpose of the endowment is to provide financial assistance to Holy Cross School. Dedicated posthumously to a Holy Cross beloved teacher, the earnings last year were used to fund technology improvements to student learning.

#### **Holy Cross Religious Education Endowment**

The purpose of the endowment is to provide tuition scholarships for families unable to afford all or part of the tuition at Holy Cross School. Last year three need-based scholarships using the earnings from this fund were awarded by the Alumni of Holy Cross.

### **Update from the desk of Coordinator of Parish Operations.**

Well the time has definitely flown by these past three months since I started in this position. During these past months, I've spent the majority of my time meeting, listening and learning from our staffs and our council and committee leaders and members from all three parishes. I've had fifty, one on one meetings with these individuals which helped me to not only understand the current operations of our parish and school, but also helped me get their thoughts, ideas and concerns as we move forward over the next several years. I've started the next step, taking all this information looking for efficiencies that we can benefit from by creating a more efficient and effective operations at all three of our parishes. Through this process and by attending councils, committees and other meetings at all three parishes, it's also helped me with my thoughts and ideas on how we can free Father Tony up for additional pastoral ministry and less time on administration. I'd like to thank the staffs and all the individuals that were willing to sit down with me and have a discussion it's been very helpful to me as I worked to get up to speed on our operations. The level of welcoming that I've received in this new position at all three parishes has been extremely gratifying, so thank you. If anyone has an idea or thought that they'd like to share or discuss with me, you can send me an email at [chopf@evdio.org](mailto:chopf@evdio.org) or call me at 812-768-6457.

Interested parishioners from all three parishes are invited to attend. Experts from The Catholic Foundation of Southwestern Indiana will be conducting the seminar. There will be additional details and information posted in the bulletin as the date draws near.

Thanks ~ Joe

## ST. MARIA GORETTI YOUTH NEWS *By: Bryan Macke*

Back to Matt & Amy Parmer's house for the second annual Fall Freshtivities with a "haunted" trail. With just around 100 middle & high school youth, the Parmer house was jammin'. We started off with some *All Saints Trivia* recalling the true meaning behind the holiday. We even had a few little Parmer and Schmitt kids dressed up as a Saints to give clues! After trivia, HS youth put on a haunted trail for the MS youth. It was a blast for everyone! The HS youth really enjoyed putting it on, while the MS youth got their adrenaline jacked up (as if they don't already on a daily basis)! The youth also enjoyed a pumpkin carving contest and various games throughout the night. Towards the end of the night, 3 HS youth (Katie Rose, Brendan Murphy, and Andrew Smith) gave brief talks to the large group of peers about their relationship with God. They did great! They talked about what really matters and the importance of having their identity in Christ, as well as staying surrounded with friends that have good values and morals. To wrap up the night, all the youth broke off into small groups to share what stuck out to them about the peer witness talks and how they can apply it to their life, as well as the scariest/least scariest part of the trail! Thank you so much Matt & Amy for making such a great time possible!

*Here's a picture of the HS youth all dressed up for the trail!*

Beginning in September, we kick-started HS Sunday evening *RockLife*. For *RockLife*, we typically meet every 1<sup>st</sup> and 3<sup>rd</sup> Sunday evening from 6:00-8:00 in the youth room at Sts. Peter & Paul. We try to keep a healthy balance of spiritual and social activities. Our average night includes a bit of everything: games, faith lesson, discussion, Sandy's Pizza, Scripture readings, videos, faith sharing talks, etc. This year's lessons are focused on the "Holy Spirit and You," seeking the Lord's will in your life and finding your true purpose and meaning. There can be a lot of anxiety when thinking about who will I ask to Prom? or which college should I go to? or what will my life be all about? This year, we'll try to tackle some of these questions and give youth the tools to help them navigate their journey of life! "Trust in the LORD with all your heart, and do not rely on your own insight. In all your ways acknowledge him, and he will make straight your paths." - Proverbs 3:5-6 (RVSC) It's our mission, hope and prayer that through this ministry, our teens will seek to build their lives on "the rock" of Christ and His Church. Please pray for our efforts and if you'd like to be involved, we'd love to have you.

*Here's a pic from our first RockLife this year:*

Also on the 1<sup>st</sup> and 3<sup>rd</sup> Sundays of each month (Nov. thru March), we have Open Gyms for boys grades 8-12 and Girl Time for HS girls. The Open Gyms are held in Sts. Peter & Paul's Family Life Center from 4:00-5:30. We stop for a halftime "mantime" to discuss and share about growing as young Catholic men in today's world. The Girl Time is held during the same time. This year's activities include Christmas shopping for needy families, laser tag, and cupcake wars between the girls and boys, just to name a few.

Watch the bulletin for details on upcoming events. And as always, if you would like to be a part of any youth programs/events I would be very happy to chat and work with you! Contact Bryan at 664-7992 or [bmacke@evdio.org](mailto:bmacke@evdio.org).

## *RELIGIOUS EDUCATION* By: Larua Goedde

Faith formation is a life-long activity. In Baptizing your child into the Catholic Faith, you accept the responsibility of bringing your child up in the teachings and traditions of the Catholic Church. Our parishes' religious education program helps parents meet this commitment by offering religious education for children as young as 3 years old all the way through high school. Beyond high school, we offer continuing education through Scripture Study, RCIA, CRHP, Cursillo, Marriage Enrichment and other short course studies on the Bible.

We are so blessed to have St. Meinrad seminarians Deacon Gil Pierre and Tim Pick joining us at Religious Ed this year. Gil is from the Diocese of Mobile, Alabama and Tim is from the Diocese of Sioux City, Iowa. Please welcome these gentlemen when you see them and thank them for helping us teach the faith to our children and parish family!

We introduced the Divine Mercy Chaplet to our Religious Ed Students as seminarian Tim Pick led the students in song. What a beautiful sight and sound to hear all of these young people praising together. Thank you to Tim and to everyone who participated that evening. You all are inspiring!

It was a beautiful October evening as our Religious Ed students celebrated the Month of Mary and the Rosary by praying a Living Rosary on the playground on October 25. Each bead was represented by a luminary that the students lit as they lead each prayer. Thank you to everyone who participated and made this a wonderful prayer experience!

### NEW MINISTRIES TO BEGIN SOON

**Mary – A Biblical Walk with the Blessed Mother** – This study will be offered beginning Tuesday, January 2, 2018 for 8 weeks at Holy Cross. In this study you will experience an extraordinary pilgrimage through Mary's life and see why she is an essential part of our Faith. Guided by Dr. Edward Sri, you will journey through the biblical narrative of Mary's life and visit the places where key events in salvation history occurred. You will be introduced to the Blessed Mother on a personal level and will see how Scripture, history, and Jewish culture reveal the sorrows, anxieties, and joys Mary would have felt in her heart. Registration forms are in the back of the churches and on the websites. Cost is \$30.00. Deadline to register is December 12.

**A Grief Support Ministry** is being formed at Sts. Peter & Paul on the first Tuesday of each month for those who are grieving the loss of a loved one. Whether you lost them this year or many years ago, this group will be there to share life and the hope that can come through God's love and the love of neighbor. Shawn Bender, a parishioner of Sts. Peter & Paul will facilitate these meetings. Shawn lost her husband Pat to cancer in 2007. She feels called to help bring healing to those like her who have suffered a loss and to create a place where others feel comfortable discussing struggles and finding strength to continue their lives without their loved one. If this sounds like something you would like to be a part of, call the parish office at 812-768-6457.

Please pray for the Catechumens and RCIA Candidates who made their Rite of Acceptance this past month at Mass.

## *2017 Holy Cross Distinguished Alumni Award*

The 2017 Distinguished Alumni Award given by the Holy Cross Association of Alumni and Friends (HCAAF) was awarded posthumously to Marlene Obert. The Award was awarded at the Sunday morning Mass on September 17 during Holy Cross Parish's annual Celebration Weekend which is always the closest weekend to the Feast of the Exaltation of the Holy Cross on September 14.

The award is given to Holy Cross School graduates who have been recognized by their parishioners as living exemplary Catholic lives. It has been presented since 1997, in an effort to provide inspiration to others and to give thanks to God for the Catholic Faith as represented by the life of the individual.

To be considered, a person must have been graduated from high school for at least 15 years, demonstrated support for Catholic education, live according to the teachings of the Catholic Church, and be a positive Catholic influence in the community.

Marlene Obert whole-heartedly dedicated her life to serving her parish, students, schools, and community. She tirelessly worked for her home parish of St. Bernard, Snake Run. Her leadership skills are still an inspiration to her St. Bernard Parish family.

She generously contributed to our Diocese by serving on the Diocesan Council and the Priest Retirement Board. She was a strong supporter of Holy Cross School, Ft. Branch High School, and Gibson Southern High School sponsoring many clubs and activities and worked hard for the South Gibson Dollars for Scholars Program.

She also contributed to the improvement and advancement of the Ft. Branch community as a past president of the Gibson County Community Foundation, Gibson County Tourist Club, and the Ft. Branch Gym Board.

Marlene was called home to our Heavenly Father at the beginning of her 50<sup>th</sup> year of teaching in 2013. Accepting the Award in her honor was her niece, Lori Obert Spindler.

Parishioners greeted her family at a reception following the Mass. Her name is also engraved on the Holy Cross Distinguished Alumni plaque displayed at the front entrance of Holy Cross School.

## *SOME THOUGHTS BY Fr. Ambrose*

### **Let's Pray For Those Who Have Gone Before Us**

It is not true to say that in the O.T nowhere exhibits a belief in the immortality of the soul. At least not true if we include the deuterocanonical literature of which the book of wisdom is part. Why deuterocanonical, they were considered to belong to the second canon, these are the books and passages of the Old Testament that are not part of the Hebrew bible, there are seven books: 1&2 Maccabees, Sirach, Wisdom, Baruch, Tobit and Judith.

We Catholics, are accused of adding books to the bible; actually no one has a right to add, or subtract books from the bible. People will quote (Rev 22:18) against the Catholic Church; which is ineffective; why, the next verse could be used against the critics, and if any one takes away from the words of the book of this prophecy, God will take away a share in the tree of life in the holy city; but John is speaking only about the book of revelation, not the entire bible.

The list of the books was established in A.D 382, the writings were not collected into a single book

until after the printing press came into existence. The Catholics did not add the books, Protestants took them out; in 382 at the council in Rome the church decided upon a canon of 46 Old Testament books and 27 in N.T, this decision was affirmed by the councils at Hippo (393, Carthage (397, 419), II Nicea (787, Florence (1442) and Trent 1546)

If it is true that Catholics added the deuterocanonical books in 1546, then why did Martin Luther include them in his first German translation, they can also be found in 1st King James version (1611) and in the first bible ever printed, the Guttenberg Bible (a century before Trent). In fact, these books were included in almost every bible until the Edinburgh committee of the British Foreign Bible Society excised them in 1825. They had been including them at least in the appendix of protestant Bibles. It is historically demonstrable that Catholics did not add the books, protestants took them out.

Martin Luther had a tendency to grade the bible according to his preferences.

In the book of Wisdom, the immortality of the righteous is being asserted rather than general immortality. The souls of the just are in the hands of God and no torment shall touch them. They seemed in the view of the foolish to be dead and their passing away as an affliction, and going forth as utter destruction, but they are in peace.

Setting these readings in the context of the whole canon; we look at righteous to be those who have been washed by the blood of Christ, not by their own intrinsic merits. Only to them is true immortality offered as a gift; death has no power over them, it is just but a passage, the grave is a sign of hope.

St. Paul puts emphasis on this; we are saved by Christ, he is the one who justifies us, we are now reconciled to God; the word salvation to st. Paul refers to final consummation, accomplishment, finishing the race. Paul would never have asked the question: are you saved? Justification is being put right with God.

In the gospel (Jn 6:37-40) we read that the love of God has been poured out into our hearts through the Holy spirit that has been given to us. While we were still helpless, while we were still sinners Christ died for us. How much more then, since we are now justified (put right with God) by his blood, we are saved through him, from the wrath. We were reconciled by God through the death of his son.

We can say with confidence we are already justified and reconciled, this justification has done away with our state of alienation from God, we have hope for the future salvation. Only the justified sinner can face death with assured hope.

At mass, we acknowledge the fact that Christ shed his blood for "many" who rise for eternal. They acknowledged while they were still alive the complete victory over death brought by the resurrection of Christ. We are reminded that in this present life we have a choice to accept God or reject him.

In (2 Maccabees 12:41-45) we read ..."For if he were not expecting that those who had fallen would rise again, it would have been superfluous and foolish to pray for the dead...But if he was looking to the splendid reward that is laid up for those who fall asleep in godliness, it was a holy and pious thought. Therefore, he made atonement for the dead, so that they might be delivered from their sin.

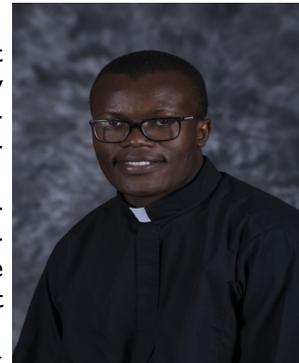

This month, we pray in a special way for the souls in purgatory. The Catechism of the Catholic Church teaches that; all who die in God's grace and friendship, but still imperfectly purified, are indeed assured of their eternal salvation, but after death they undergo purification so as to achieve the holiness necessary to enter the joy of heaven. It is a traditional time for us this month to visiting graves of loved ones, marking the anniversary of their death. Offering alms, doing works of penance on behalf of the death is a good thing especially the month of November.

Jesus says; everything that the Father gives me will come to me, the will of my father is that everyone who sees the son and believes in him may have eternal life and I shall raise him on the last day. Believers are already given to the son, we come to him and see him and we are not cast out but we already have eternal life.

As we pray for those who have gone before us; I realize that we are in a state of tension here on earth; the present life we live, and the life that is yet to come. A Christian believer has the assurance that the experience of Christ in this life is not something that will be cast away at death but will be achieved beyond death.

Best Regards and Gods blessings:

Fr. Ambrose
