Departure Procedures

It is assumed that parent(s)/guardian(s) will be transporting the child each day. If you are in a carpool, please list the name of the responsible person(s) who may transport your child.

Please note that your child will not be allowed to leave with any person not listed in the above procedure unless changes are received in writing from the parent or guardian. In case of a restraining order prohibiting a particular individual from taking the child from school, we request a copy of the court order and a picture of the person for our information.

Program Expectations

In order to provide a well rounded program, we are asking a few pertinent questions to help us meet the needs of your child:

In relation to your child, what are your expectations of this program?

Please list important values you want focused upon in the area of your child’s development.

Please list any special needs your child may have, or special services your child is receiving due to these needs (this may include allergies, speech therapies, physical disabilities. etc.).

How did you hear about our program?
