

Automatic Electronic Giving Program
Holy Cross Parish

This is a reminder that Holy Cross does offer a program that will allow parishioners to electronically have funds transferred directly into the Parish's General Account and/or School Tuition Account.

Your participation in the Electronic Giving Program will greatly benefit Holy Cross Church and School. Being able to anticipate our revenue over the months ahead will facilitate the planning of our present ministries and to look toward future programs or ministries.

Benefits to you as a participant in the Automatic Electronic Giving Program:

- Convenient and no cost to you
- Saves time and money by not having to write checks
- More confidential than writing a check
- Allows you to donate even if you are on vacation, out-of-town, or ill
- You decide whether the transfer is done weekly or monthly

With your authorization, we will automatically transfer your donation from your checking account at the time you have specified on your enrollment form.

You will continue to receive your offertory envelopes. The Electronic Funds Transfer will not cover special occasions like Christmas, Easter, Holy Days or special collections.

If you would like to still place an envelope in the collection basket, please mark "DIRECT DEPOSIT" on the envelope.

You may increase, decrease, or suspend your Electronic Funds Transfer at any time by calling the Parish Office and speaking to Lisa.

All Direct Debit transactions will appear on your monthly bank statements.

All transfers originating as ACH transactions from Parishioner's accounts comply with U.S. law.
